

Tram Superside

A Tram Superside is made of
4 x Large Tramliners and
1 x Small Tramliner
Please refer to the
corresponding specification
sheets for more details

CAMPAIGN NUMBER

The campaign number should be displayed black text on a white background within a 30mm x 10mm (at actual size) framed rectangle located in the bottom right hand corner of each tramliner panel.
Font size 20pt (at actual size)

FILE FORMAT AND SETTINGS

Artwork for this panel should be created and supplied at 10%

Please supply digital artwork as one piece, we will split the artwork for you, the above splits are for supplying fully printed vinyl.

All artwork and images should be in CMYK

File format either a high resolution pdf or illustrator file

All fonts to be converted to outlines

SAFE VISIBLE AREA

Please ensure that text and important design features are away from locks and inter-panel gaps.
